

# Awards Nominations 2018

Due: April 4th

Dear WMS Faculty and Staff,

The Parent/Community Cadre is collecting nominations of outstanding students to be recognized at our 8<sup>th</sup> Annual Awards Night (to be held on May 16<sup>th</sup>, 2018). This is to allow any teacher to recognize any student for any reason, such as outstanding work, most improved, or good citizenship. Each nominated student will be invited to the awards night and be presented with a personalized medal with their name and title of award imprinted on it. Parents and family members will also be invited to share in the ceremony.

Each teacher is limited to one student to recognize; teachers with multiple lines are able to nominate one student per line. Each student should receive only one award, so please discuss with your grade-level teams. Fill out the nomination form attached below and return it to Mr. Lee's box by Wednesday, April 4th. You may also submit your nominations online at [wahiawamiddleptso.com](http://wahiawamiddleptso.com) or check the WMS Teacher Organizer.

Thanks!  
Thomas Lee
